Presented by:
Pradeep Suri, MD
Staff Physician, Veterans Affairs Puget Sound Health Care System
Associate Professor, University of Washington Department of Rehabilitation Medicine

April 21, 2021
7:00am

Dr. Suri is a Staff Physician at the Veterans Affairs (VA) Puget Sound Health Care System, Epidemiologist at the Seattle Epidemiologic Research and Information Center (ERIC), Associate Professor in the Department of Rehabilitation Medicine at the University of Washington, and Associate Director of the Resource Core for the Clinical Learning, Evidence, and Research (CLEAR) Center for Musculoskeletal Research at the University of Washington. He is a physician specializing in rehabilitation medicine, and a practicing clinical spine specialist. Dr. Suri’s areas of research expertise include observational studies involving musculoskeletal epidemiology, and clinical trials. Another large portion of his work to date is the genetic epidemiology of lumbar spinal disorders and low back pain.

We welcome anyone interested to attend Panther Rehab Rounds. For information, or if you have special needs, contact Jessa Darwin (jcd79@pitt.edu), Dept. of PM&R.

The University of Pittsburgh School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing education for physicians. The University of Pittsburgh School of Medicine designates this educational activity for a maximum of one (1) category 1 credit toward the AMA Physician’s Recognition Award. Each physician should claim only those credits that they actually spent in the educational activity.
