"Health Care Disparities and People with Disability: Findings from Nationwide Survey of Outpatient Physicians"

Presented by:
Lisa I. Iezzoni, MD
Professor
Harvard Medical School

March 16, 2022
7:00am

Lisa I. Iezzoni is Professor of Medicine, Harvard Medical School, and based at the Health Policy Research Center, Mongan Institute, Massachusetts General Hospital. Dr. Iezzoni has conducted numerous studies for the Agency for Healthcare Research and Quality, National Institutes of Health, the Medicare agency, and private foundations. Her early career focused on risk adjustment methods for costs and clinical outcomes and assessing quality of care; since 1998, her research has focused on improving the lived experiences and health care quality of adults with disability. She has served on numerous national committees and chaired the Medical Diagnostic Equipment Accessibility Standards Advisory Committee for the U.S. Access Board. Dr. Iezzoni is a member of the National Academy of Medicine in the National Academies of Sciences, Engineering, and Medicine.
