Grand Rounds Lecture Series**

"Addressing mental health in the context of musculoskeletal medicine"

Presented by: Abby Cheng, MD, MPHS

April 17, 2024

7:00 am

Virtual - Microsoft Teams

Abby Cheng, MD, MPHS, is a clinician scientist and Assistant Professor at the Washington University in St. Louis School of Medicine. She completed her residency in physical medicine and rehabilitation at the Shirley Ryan AbilityLab and went on to complete a sports medicine fellowship at Washington University. She is the Research Director of the Washington University Living Well Center and the Director of Washington University physiatry resident research. She is currently funded by a K23 career development award which is supporting her investigation into the interplay between biopsychosocial factors and musculoskeletal health, including the use of a lifestyle medicine approach to address chronic musculoskeletal pain. She is also the lead principal investigator of an AHRQ U18 award to improve equitable access to Long COVID care in the central Midwest region.

We welcome anyone interested to attend Panther Rehab Rounds. For information, or if you have special needs, contact Jessa Darwin ([jcd79@pitt.edu](mailto:jcd79@pitt.edu)), Dept. of PM&R.

The University of Pittsburgh School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing education for physicians. The University of Pittsburgh School of Medicine designates this educational activity for a maximum of one (1) category 1 credit toward the AMA Physician's Recognition Award. Each physician should claim only those credits that they actually spent in the educational activity.
