**Panther Rehab Rounds
Grand Rounds Lecture Series**

"Physical activity and BDNF in neurobehavioral recovery from pediatric TBI"

Presented by: Bailey Petersen, PhD, DPT

February 14, 2024

7:00am

Virtual - Microsoft Teams

Bailey Petersen, PhD, DPT is a postdoctoral scholar in the Pediatric Neurointensive Care and Resuscitation Research Fellowship through the Safar Center. Bailey received her BS and MS degrees in Kinesiology from Penn State and her dual-degree DPT-PhD in Bioengineering from Pitt. She is currently studying the epigenetic mechanisms associated with neurobehavioral recovery in children with traumatic brain injury and will continue this work by investigating the role of physical activity in recovery.

We welcome anyone interested to attend Panther Rehab Rounds. For information, or if you have special needs, contact Jessa Darwin (jcd79@pitt.edu), Dept. of PM&R.

The University of Pittsburgh School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing education for physicians. The University of Pittsburgh School of Medicine designates this educational activity for a maximum of one (1) category 1 credit toward the AMA Physician's Recognition Award. Each physician should claim only those credits that they actually spent in the educational activity.
