## UPMC PM&R Says Goodbye to the Class of 2018 Residents and Fellows

It was a perfect evening on Saturday, June 9 as UPMC PM&R said goodbye to the Class of 2018. The event was held at the Sheraton Station Square overlooking the Monongahela River and downtown Pittsburgh. A combination of faculty, family, friends, current residents, and staff came together to honor the achievements and memories of this exceptional class.

We will certainly miss our graduates, but know they are destined for big things as they spread to different corners of the country.
